MENOPAUSE

## Dr Vikram Talaulikar

Dr Vikram Talaulikar is a Specialist in Reproductive Medicine at University College London Hospitals NHS Foundation Trust and Hon. Associate Professor in Women's Health at the University College London.

He graduated in medicine in India in 2003 and completed postgraduate degree in obstetrics and gynaecology in 2007. He is a fellow of the Royal College of Obstetricians and Gynaecologists and completed PhD degree at St. George's University of London in 2016.

His clinical interests include reproductive endocrinology, polycystic ovary syndrome, recurrent miscarriage, premature ovarian insufficiency, and menopause. He is a certified 'menopause specialist' by the British Menopause Society.

He has published widely in Reproductive Medicine and Menopause. He is a member of the British Fertility Society, European Society of Human Reproduction and Embryology, British Menopause Society, and International Menopause Society.

He runs a busy menopause and PCOS clinic at UCLH and Menopause Clinic London on Harley Street. He is a Principal trainer for FSRH Menopause SS module and a trainer for BMS principles and practice of menopause care programme.
